

PAWFULLY YOURS

I am proud to serve as a committee member and volunteer for 'Pawfully Yours' an organization initiated by a group of 11th graders from various schools in Ahmedabad. Pawfully Yours is not just a mere organization but a beacon of hope for the injured and sick stray animals in our city.

Our mission at Pawfully Yours revolves around providing medical care to the vulnerable stray animals that often go unnoticed. We believe that every life deserves a chance, and we make it our responsibility to ensure that these animals receive the care they so desperately need. Our dedicated team conducts weekly drives across Ahmedabad, where we attend to injured and ailing strays, offering them medical attention, love, and a chance for a better life.

In addition to medical care, we understand the importance of nourishment. Pawfully Yours ensures that stray dogs in our city have access to proper food and clean water. We distribute pots of pedigree and water to these animals, aiming to alleviate their hunger and thirst.

My journey with Pawfully Yours has been transformative. It has deepened my passion for animals and ignited my desire to become a veterinarian. By serving as a committee member and volunteer, I have not only contributed to the well-being of our city's strays but also found my calling in life. Pawfully Yours is more than just an organization; it is a testament to the power of compassion and youth-driven change. Together, we are making a difference, one paw at a time!
