

TO WHOMSOEVER IT MAY CONCERN

We are pleased to write this Letter of Recommendation for Ms. Jeeya Shah who has been an intern at Senores Pharmaceuticals for the duration of two weeks i.e. June 6th-19th, 2023 with an objective to "Job Shadowing- Covering all major departments in the corporate office".

During this period, we have had the opportunity to closely observe Jeeya during each briefing session. An observer in various departments of our company, Jeeya demonstrated a remarkable level of enthusiasm, curiosity, and dedication, leaving a positive impression on all those she interacted with.

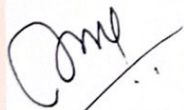

Throughout her time at Senores Pharmaceuticals, she had the opportunity to observe and learn from multiple departments, including Corporate Communications & Public Relations (PR), Human Resources (HR), Accounts and Finance, Legal, IT, Business Analytics, Regulatory Affairs, Marketing, Sales, etc. Her eagerness to explore each department's intricacies and willingness to grasp new concepts were evident from the very beginning. She demonstrated a keen eye for detail and an impressive understanding of data analysis, which enabled her to provide valuable insights during each briefing.

It is rare to encounter a student with such a profound passion for understanding various facets of a company, and her dedication to exploring different departments at Senores Pharmaceuticals has undoubtedly set her apart.

I firmly believe that Ms. Shah has the potential to excel in any academic pursuit she chooses. Her diverse experiences at our pharmaceutical company have undoubtedly shaped her perspective, and I have no doubt that she will thrive in a collegiate setting.

Please do not hesitate to contact me if you have any further questions or require additional information. I strongly recommend Ms. Jeeya Shah for any future endeavors, and I am confident she will be a valuable asset to your institution.
